

# PARK SAFETY PLAN

Since COVID-19 began, Flagg-Rochelle Community Park District has followed protocols issued by Federal, State and local government health agencies. The Governor's RESTORE ILLINOIS plan outlines five phases for gradually opening businesses and public spaces. In response, we have developed a Park Safety plan to determine when Park facility and amenity use can resume.

Phase

1

## ESSENTIAL GATHERINGS OF 10 PEOPLE OR LESS PERMITTED

Parks open for biking, hiking, walking, & running only.

Phase

2

## ESSENTIAL GATHERINGS OF 10 PEOPLE OR LESS PERMITTED

Golf courses open with restrictions, disc golf, boating, & fishing allowed.

Phase

3

## ALL GATHERINGS OF 10 PEOPLE OR LESS PERMITTED

Tennis/Pickleball courts & driving range open with restrictions.

Phase

4

## ALL GATHERINGS OF 50 PEOPLE OR LESS PERMITTED

Playgrounds, sports fields, basketball courts, picnic shelters, public bathrooms, & rental facilities open with restrictions.

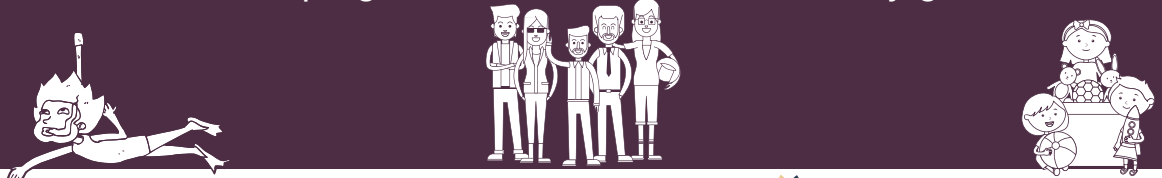

Phase

5

## NO RESTRICTIONS ON GATHERING SIZE

All facilities and programs restored under new safety guidelines.

PLAN IS SUBJECT TO UPDATES BASED ON GUIDANCE FROM STATE AND LOCAL HEALTH AUTHORITIES
